Advice to Contributors
The editors welcome contributions in the form of articles, letters, reports and reviews. Authors should ensure that their manuscripts conform to the Harvard bibliographic convention. All manuscripts should be typewritten, double-spaced on one side only of numbered pages. Figures, tables and graphics should be provided in camera ready form. Photographs should be black and white rather than coloured. Authors should limit articles to a maximum of 4000 words including an abstract of 100-150 words.

Opinions expressed by contributors do not necessarily represent the views of the editors or the Australian Council for Computers in Education. The Australian Council for Computers in Education does not endorse products or services advertised in Australian Educational Computing.

Editors:
Jennifer Galligan, Peter Jennings, Donald Shingles, Ngame Macleod
