Advice to Contributors
The editors welcome contributions in the form of articles, letters, reports and reviews. Authors should ensure that their manuscripts conform to the Harvard bibliographic convention. All manuscripts should be typewritten, double-spaced on one side only of numbered pages. Figures, tables and graphics should be provided in camera ready form. Photographs should be black and white rather than coloured. Authors should limit articles to a maximum of 4000 words including an abstract of 100–150 words.

The new technology: Three views
Neil Postman, Hugh Kenner & Lewis Perelman

Videoconferencing: New ways of interacting at a distance
John Schiller

Can we meet the challenge? Problems with implementation and in-service in technology-related fields of education
Brian Ferry

FROM THE CLASSROOM
History, computers and video
Adrian Brown

Call for articles
Readers are invited to contribute articles for future editions of this journal.
Articles should be no longer than 4000 words and include an abstract of 100–150 words. Contributors are asked to provide a brief autobiographical statement.
Deadlines: Friday 18 March for May 1994
Friday 15 July for September 1994

Have your say. Why not share your interest and concerns about educational computing by writing a letter to the editor of Australian Educational Computing. Address all correspondence to:
